

POC-417B-965 / POC-419B-965

Super High-Performance All-in-one Medical Panel PC

- 17", 19" medical panel PC for clinical review applications
- High performance Intel® Core™ 2 Duo® CPU support
- User-friendly touch screen
- Advanced 802.11a /b/ g/ n wireless network advantage
- Built-in bluetooth for powerful connectivity

Adapter
DC 12V Power In

* Stand is an optional item

The Perfect Bedside Entertainment Terminal

The high-performance Intel® Core™ 2 Duo processor makes the POC-4/B series strong platform for bedside entertainment applications. The 17" and 19" LCD size enables clear display for all information. With the support of Intel® Core™ 2 Duo, the POC-4/B series are able to display superior image quality, perfect for entertainment applications. The strong capability of wireless 802.11 a/b/g/n connection brings more efficient data transmission advantage for bedside applications. The built-in bluetooth provides easy connection with peripheral devices such as headsets, keyboards and mice.

Powerful Processing Capability

The POC-4/B series are supported by Intel® Core™ 2 Duo processor. The high performance feature enables complex data processing, perfect for bedside entertainment applications.

Bluetooth Module for Perfect Connections

The preinstalled PACSmate bluetooth module provides a wireless connection to a wide variety of peripheral devices, including headsets, keyboards and mice. High speed data transmission through the USB 2.0 interface is perfect for data processing.

Best Image Display Quality

With the support of Windows® Vista™ operating system, the POC-4/B series have superior image processing capability. The upgraded functions of Windows® Vista™ make data processing more efficient and more secure.

Reliable Touch Screen Design

The POC-4/B series are equipped with reliable 5-wire resistive type touch screen. The touch screen makes medical order entry much easier when used as an information terminal.

Value-Added Network Connection Advantage

The POC-4/B series systems each have two Gigabit Ethernet LAN connectors and wireless 802.11a/b/g/n network connections, enabling better link quality through accurate network selection. The powerful 802.11 a/b/g/n/ Wireless connection increases redundancy and ensures reliable network for real-time medical record processing

IP 65 Front Panel for Best Reliability

The POC-4/B series are designed with IP 65 dustproof and waterproof front panel, allowing easy cleaning with disinfectant Without harming the panel itself.
